Identifies fifty life lessons about surviving in the real world that parents can use for a range of constructive benefits, in a primer that features such tips as "Life is not fair. Get used to it" and "Flipping burgers is not beneath your dignity."

Many parents are not sure of what to say and do to help their children improve their social interactions. Social Rules for Kids - The Top 100 Social Rules Kids Need to Succeed helps open the door of communication between parent and child by addressing 100 social rules for home, school, and the community. Using simple, easy-to- follow rules covering topics such as body language, manners, feelings and more, this book aims to make student's lives easier and more successful by outlining specific ways to interact with others on a daily basis.

We have experienced a shift in American character: we've become a nation of moochers. Increasingly dependent on the efforts of others over our own. Americans are free to freeload. From the corporate bailouts on Wall Street to the alarming increases in personal default and dependency, from questionable tax exemptions to enormous pension, healthcare, and other entitlement costs, the new moocher culture cuts across lines of class, race, and private and public sectors. And the millions that plan and behave sensibly, only to bail out the profligate? They're angry. Charles Sykes' argument is not against compassion or legitimate charity, but targets the new moocher culture, in which self-reliance and personal responsibility have given way to mass grasping after handouts. A Nation of Moochers is a persuasively argued and entertaining rallying cry for Americans who are tired of playing by the rules and paying for those who don't.

Offers an expose of American public education, charging that faddish educational theories and the drive to inflate students' self-esteem are causing standards to decline

Sharon Meers and Joanna Strober are professionals, wives, and mothers. They understand the challenges and rewards of two-career households. They also know that families thrive not in spite of working mothers but because of them. You can have a great career, a great marriage, and be a great mother. The key is tapping into your best resource and most powerful ally|the man you married. After interviewing hundreds of parents and employers, surveying more than a thousand working mothers, and combing through the latest government and social science research, the authors have discovered that kids, husbands, and wives all reap huge benefits when couples commit to share equally as breadwinners and caregivers. Mothers work without guilt, fathers bond with their kids, and children blossom with the attention of two involved parents. The starting point? An attitude shift that puts you on the road to 50/50|plus the positive step-by-step advice in this book. From 'baby boot camp' for new dads to exactly what to say when negotiating a leave with the boss, this savvy book offers fresh ideas to today's families offering encouragement, hope, and confidence to any woman who has ever questioned her choices regarding work and family.

There's only one rule in Larry's book: don't push the button. (Seriously, don't even think about it!) Even if it does look kind of nice, you must never push the button. Who knows what would happen? Okay, quick. No one is looking... push the button. Uh, oh.

Details a program for improving communication between parents and children, providing sample dialogues, role-playing exercises, and humorous yet illuminating cartoons

A step-by-step program that shows parents, simply and clearly, how to teach their child to read in just 20 minutes a day.

End the Co-Parenting War. If you find co-parenting with your ex to be a constant struggle and it seems like he fights you every step of the way - sometimes just for sport, you are not alone. Are you worried that you cannot go on like this for the next 10-15 years and that your bank account will be empty from the legal costs? And are you concerned about your children's mental and emotional health? In When Your Ex Doesn't Follow the Rules, Maureen Doyle combines client success stories with powerful coaching techniques that will change your post-divorce combat zone into a place of peace.
