Thus, the Framework for Ethical Decision Making is an important variation on the Framework for Critical Thinking. Keep in mind that there is not necessarily a "right" answer to an ethical dilemma. Ethical decision making is often difficult because you must decide not between "right" and "wrong" but between "right" and "right."

~~Framework for Ethical Decision Making~~

The materials are structured as instructions to be used with case studies in a step-wise evaluation of alternative decisions in light of the classical ethical frameworks. Each is described and a formula for evaluation is presented that allows students to explore the nuances and differences among the frameworks and their decision outcomes.
