by Richard Holloway Animated map shows how religion spread around the world A Little History Of Religion

"A Little History of Religion both delights readers and tackles a subject historically and emotionally wide-ranging. . . . Holloway repeatedly links religious movements to political action, perhaps cautionary tales for our times, and how to seek accurate religious history--a surprisingly superior handbook."--Katharine C. Black, Anglican and Episcopal History

A Little History of Religion (Little Histories): Amazon.co ...

A nifty little book that simultaneously offers a history of religion as idea and histories of religions. As the author bounces easily back and forth between faiths, he uses one religion's take on ideas common to many of them to explain the big ideas. Creation, evil, death, heaven and hell, prophets.

A Little History of Religion by Richard Holloway

He pulls no punches about religions' shortcomings, for example the history of violence associated with them. But the main thing he does is elegantly boil this vast subject down to its essence (it is a "little" history, after all), and while doing so, explains clearly and simply how humans acquired their various religions. By the end, I wanted more.

A Little History of Religion - Richard Holloway - Heath Books

A Little History of Religion sets out to answer the questions: What is religion and where does it come from? In answering these two questions Holloway takes his readers on a long religious journey. Starting with Hinduism and ending with secular humanism, Holloway touches on most of the world's religions.

A Little History of Religion | Reading Religion

Richard Holloway retells the entire history of religion—from the dawn of religious belief to the twenty-first century—with deepest respect and a keen commitment to accuracy. Writing for those with faith and those without, and especially for young readers, he encourages curiosity and tolerance, accentuates nuance and mystery, and calmly restores a sense of the value of faith.

A Little History of Religion (Little Histories) - Kindle ...

The book is enlightening ,superbly written ,thought provoking and accessible to those readers who have little or no knowledge of religion. The book is a page turner and a trove of information. I am a non practicing Christian,with a small c, and this book helped me to understand the beliefs and histories of the other religions in a way that other books have failed to do and helped to put them ...

Amazon.co.uk:Customer reviews: A Little History of ...

Ranging far beyond the major world religions of Judaism, Islam, Christianity, Buddhism and Hinduism, A Little History of Religion also examines where religious belief comes from, the search for meaning throughout history, today’s fascinations with Scientology and creationism, religiously motivated violence, hostilities between religious people and secularists, and more. Holloway proves an empathic yet discerning guide to the enduring significance of faith and its power from ancient times ...
