Marriage. As the title might suggest, An Ideal Husband's primary theme is marriage, a common premise for the potboiler melodramas of Wilde's day. To recall our discussion of the play's Context, the Victorian popular theater provided stock storylines of domestic life that, after various crises, would culminate in the reaffirmation of familiar themes: loyalty, sacrifice, undying love, forgiveness ...

Wilde's 1893 play A Woman of No Importance includes a discussion of what an ideal husband would be like (and why he couldn't exist). Like his earlier plays An Ideal Husband uses conventional period plot twists (in this case depending on an old letter and a stolen piece of jewelry) and displays Wilde's wit in full force.

Sir Robert Chiltern. At the start of the play Sir Robert Chiltern is the "ideal husband" who gives the play its title. He is 40 years old, clean cut, and good-looking. In Act 1 he is proud of himself and all he has done in his career and for his country. He is also content with and proud of his marriage. However, his career rests upon a secret: when he was just starting out he sold a government secret illegally to a speculator, who used it to make himself and Sir Robert a lot of money.
