Depressive Realism  
Matter could be described as a piece of extended literary criticism, and that would be sort of right, but it would be more exact to say it uses Houellebecq's novels as a basis for thinking about pessimism and how it relates

to honesty, how novelists  
justify their work, what  
people think art is for, and  
philosophical materialism,  
amongst other things.

writes about the sulky  
crises of middle-aged male  
protagonists confronting  
existential superfluity  
while dealing with the  
destabilizing presence of  
alternately willing and  
withholding nubile.
