Birds from Bricks is
a new book by Tom
Poulsom, creator of
the LEGO Ideas
project that led to
the release of the
excellent 21301

Access Free

Birds set last year.
It provides
instructions to
construct fifteen
avian species of all
sizes, from robins
to albatrosses. I
received a copy
from the publisher
last week and over
the weekend I had
fun building four of
them.
