Black Body and Soul. November 20,

2017November 16, 2017by Brock

Haussamen. In his book Between the

World and Me, Ta-Nehisi Coates often

refers to himself and other black

people as bodies. The central fear of

blacks in America, he writes, is and

has been that their bodies will be

destroyed. The fear pervades the

bravado of black youth as well as the

steely hope of the elders.

(Vanity Fair). As a boy, Claude Rawlings looks up through the grated window of his basement apartment to watch the world go by. Poor, lonely, supported by a taxi-driver mother whose eccentricities spin more and more out of control, he faces the terrible task of growing up on the margins of life, destined to be a spectator of that great world always hurrying out of reach. But there is an out-of-tune piano in the small apartment, and in unlocking the secrets of its keys, as if by magic, Claude discovers himself. He is a musical prodigy. *Body & Soul* is the story of a young man whose life is transformed by a gift. The gift is not without price—the work is relentless, the teachers exacting—but the reward is a journey that takes him to the drawing rooms of the rich and

powerful, private schools, a gilt-edged marriage, and Carnegie Hall. Claude moves through this life as if he were playing a difficult composition, swept up in its drama and tension, surprised by its grace notes. Music, here, becomes a character in its own right, equaled in strength only by the music of Frank Conroy ' s own unmistakable and true voice. Bristling with character and invention, *Body & Soul* is Dickensian in its range and richness. This is a novel with all the emotional appeal and moral gravity of a classic bildungsroman, but with a tone as contemporary as a jazz riff—an unforgettable achievement by one of the great writers of our time.

Instead of being sent to gunnery school as he requested, he is ordered to report to the Army Military Police Academy in Camp Gordon, Georgia. Kirkland's narrative voice in this page turner is clear, self-effacing and relentlessly candid unapologetic for the black and white of his experience, and cautionary in his instruction for navigation through the gray. Yet in every syllable, there is a remarkable, palpable love for his family, friends and community and unyielding commitment to upholding the Constitutional promise that "all men are created equal."
