Aux Lite Auxiliary Input: The CDX-R5715X has an auxiliary input on the rear panel, allowing you to connect a separate audio source, such as a portable MiniDisc or MP3 player, or the audio output from a mobile/portable DVD player. In the past, Sony receivers required a separate adapter, however, this unit's "Aux Lite" input allows you to directly connect the auxiliary unit to the receiver's stereo RCA input jacks.

The vampires of Asheville, North Carolina, want to establish their own clan, but since they owe loyalty to the Master Vampire of New Orleans they must work out the terms with him. To come up with an equitable solution, he sends an envoy with the best bodyguard blood money can buy: Jane Yellowrock. But when a group of local campers are attacked by something fanged, Jane goes from escort to investigator. Unless she wants to face a very angry mast vampire, she will have to work overtime to find the killer. It's a good thing she's worth every penny.

Automotive Service Management: Principles into Practice, Second Edition, provides coverage across a wide range of topics that are critically important in the fast-paced, complex world of automotive service management. Exploring over 30 different topics, the text's conversational tone and real-life examples help reinforce key points and concepts. Designed for those in training to enter the automotive service industry, this text also provides sufficient depth and breadth of content to be a valuable resource to support continuing development for industry service professionals.

Science fiction and fantasy is one of the most challenging--and rewarding!--genres in the bookstore. But with New York Times bestselling author Philip Athans and fantasy giant R. A. Salvatore at your side, you'll create worlds that draw your readers in--and keep them reading! Just as important, you'll learn how to prepare your work for today's market. Drawing on his years of experience as one of the most acclaimed professionals in publishing, Wizards of the Coast editor Athans explains how to set your novel apart--and break into this lucrative field. From devising clever plots and building complex characters to inventing original technologies and crafting alien civilizations, Athans gives you the techniques you need to write strong, saleable narratives. Plus! Athans applies all of these critical lessons together in an unprecedented deconstruction of a never-before-published tale by the one and only R. A. Salvatore! There are books on writing science fiction and fantasy, and then there's this book--the only one you need to create strange, wonderful worlds for your own universe of readers!
