Character Development And Storytelling For Games [EPUB]
For any novel to truly connect with readers, the author needs to pay close attention to character development. Even if you're writing an action-packed, plot-driven book where the characters are robots, it's the human element that will resonate with readers. Say you're choosing between two books for your next read.

Game Development Series
Character Development Step 1.

Introduce him early, by name.

The biggest mistake new writers make is introducing their main character too late. As a rule he should be the first person on stage and the reader should be able to associate his name with how they see him. Naming your character can be almost as stressful as naming a newborn.
