Once upon a time, Nigerian author Chimamanda Ngozi Adichie gave a TED Talk that drew millions of viewers. She warned of the perils of a “ single story ” – a tale that depicts just one aspect of a place or people. Those with most power perpetrate and perpetuate stereotypes with such stories, dehumanizing their subjects.

New Yorker piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father ' s death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he ' d stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of

recreates a seminal moment in modern African history: Biafra ' s impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo ' s beautiful mistress, Olanna, a sociology teacher, is running away from her parents ' world of wealth and excess; Kainene, her urbane twin, is taking over their father ' s business; and Kainene ' s English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the

Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, *Half of a Yellow Sun* is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. and the young mother at the centre of “Imitation” finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie’s prodigious literary powers.

NATIONAL BESTSELLER • The award-winning author of *We Should All Be Feminists* and *Americanah* gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. *Dear Ijeawele* is Adichie’s letter of response:

continent, as if there is a singular African culture and experience. Like many Americans, what I know of Africa largely comes from the news media. This means that when I think of Africa, I usually think of wars, refugee camps, abject poverty, diseases, and corruption. With the exception of having beautiful wildlife and landscape, Africa to me simply represented a place of general misery. This is the result of being exposed to only a single story. As Nigerian writer Chimamanda Adichie points out in her TED talk, “ The danger of a single story, ” there is never a single story. She holds a Bachelor of Arts in English Literature and a Bachelor of Arts in politics, both from Occidental College. EXCERPT FROM THE BOOK Nigerian writer Chimamanda Adichie uses her personal life and experiences to illustrate the danger of reducing other people and cultures to a single story rather than recognizing that we all have overlapping, multiple stories. She begins her talk by discussing her childhood in Nigeria, moves on to her experience as an African woman in the U.S., and then discusses the Nigerian experience today. As a child growing up in a university campus in eastern Nigeria, Adichie loved

reading and writing. When she began writing at the age of seven, she wrote the kind of stories that she had read. This meant that she wrote stories about blue-eyed white children who played in the snow and ate apples. Since the only books she read were British and American books populated with people different from her who experienced things she didn't know anything about, Adichie started believing that she had no place in books. This changed when she discovered African writers such as Chinua Achebe and Camara Laye. She realized that books could also tell the stories of people like her. Buy a copy to keep reading!

of *Half of a Yellow Sun*, a powerful story of love, race and identity. As teenagers in Lagos, Ifemelu and Obinze fall in love. Their Nigeria is under military dictatorship, and people are fleeing the country if they can. The self-assured Ifemelu departs for America. There she suffers defeats and triumphs, finds and loses relationships, all the while feeling the weight of something she never thought of back home: race. Obinze had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a blogger. But after so long apart and so many changes, will they find the courage to meet again, face to face? Fearless, gripping, spanning three

In a narrative that moves with dreamlike swiftness from India to England to Africa, Nobel Laureate V. S. Naipaul has produced his finest novel to date, a bleakly resonant study of the fraudulent bargains that make up an identity. The son of a Brahmin ascetic and his lower-caste wife, Willie Chandran grows up sensing the hollowness at the core of his father's

self-denial and vowing to live more authentically. That search takes him to the immigrant and literary bohemia of 1950s London, to a facile and unsatisfying career as a writer, and at last to a decaying Portuguese colony in East Africa, where he finds a happiness he will then be compelled to betray. Brilliantly orchestrated, at once elegiac and devastating in its portraits of colonial grandeur and pretension, *Half a Life* represents the pinnacle of Naipaul's career.
