Everything Everything: This is one of the best performing books by Nicola Yoon. This novel is about a young girl who has been suffering from SCID. For more than 18 years, Madeline has been trapped indoors. This is mainly because the air outside her home is full of allergens, viruses, deadly air particles and allergens.

Ma maladie est aussi rare que célèbre, on l'appelle "maladie de l'enfant-bulle". En gros, je suis allergique au monde. Je viens d'avoir dix-huit ans, et je n'ai jamais mis un pied dehors. Un jour, un camion de déménagement arrive. Je regarde par la fenêtre et je le vois. Le fils des nouveaux voisins est grand, mince et habillé tout en noir. Il remarque que je l'observe, et nos yeux se croisent pour la première fois. Dans la vie, on ne peut pas tout prévoir, mais on peut prévoir certaines choses. Par exemple, je vais certainement tomber amoureuse de lui. Et ce sera certainement un désastre.

Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In Everything, Everything, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's The Sun Is Also A Star, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

The #1 New York Times bestseller and National Book Award Finalist from the bestselling author of Everything, Everything will have you falling in love with Natasha and Daniel as they fall in love with each other. Natasha: I'm a girl who believes in science and facts. Not fate. Not destiny. Or dreams that will never come true. I'm definitely not the kind of girl who meets a cute boy on a crowded New York City street and falls in love with him. Not when my family is twelve hours away from being deported to Jamaica. Falling in love with him won't be my story. Daniel: I've always been the good son, the good student, living up to my parents' high expectations. Never the poet. Or the dreamer. But when I see her, I forget about all that. Something about Natasha makes me think that fate has something much more extraordinary in store—for both of us. The Universe: Every moment in our lives has brought us to this single moment. A million futures lie before us. Which one will come true? *** "Beautifully crafted."--People Magazine "A book that is very much about the many factors that affect falling in love, as much as it is about the very act itself . . . fans of Yoon's first novel, Everything Everything, will find much to love—if not, more—in what is easily an even stronger follow up." —Entertainment Weekly "Transcends the limits of YA as a human story about falling in love and seeking out our futures." —POPSUGAR.com

"Nicola Yoon writes from the heart in this beautiful love story." "Good Morning America" "It's like an emotional gut punch—so beautiful and also heart-wrenching." "US Weekly" In this romantic page-turner from the author of *Everything, Everything* and *The Sun Is Also a Star*, Evie has the power to see other people's romantic fates—what will happen when she finally sees her own? Evie Thomas doesn't believe in love anymore. Especially after the strangest thing occurs one otherwise ordinary afternoon: She witnesses a couple kiss and is overcome with a vision of how their romance began . . . and how it will end. After all, even the greatest love stories end with a broken heart, eventually. As Evie tries to understand why this is happening, she finds herself at La Brea Dance Studio, learning to waltz, fox-trot, and tango with a boy named X. X is everything that Evie is not: adventurous, passionate, daring. His philosophy is to say yes to everything—including entering a ballroom dance competition with a girl he's only just met. Falling for X is definitely not what Evie had in mind. If her visions of heartbreak have taught her anything, it's that no one escapes love unscathed. But as she and X dance around and toward each other, Evie is forced to question all she thought she knew about life and love. In the end, is love worth the risk?

Secrets are revealed as OCD-afflicted Griffin grieves for his first love, Theo, who died in a drowning accident.

A MAJOR MOTION PICTURE STARRING BELLA THORNE! A heartbreaking tale of love, loss and one nearly perfect summer -- perfect for fans of *The Fault In Our Stars* and *Love, Simon*. Seventeen-year-old Katie Price has a rare disease that makes exposure to even the smallest amount of sunlight deadly. Confined to her house during the day, her company is limited to her widowed father and her best (okay, only) friend. It isn't until after nightfall that Katie's world opens up, when she takes her guitar to the local train station and plays for the people coming and going. Charlie Reed is a former all-star athlete at a crossroads in his life - and the boy Katie has secretly admired from afar for years. When he happens upon her playing guitar one night, fate intervenes and the two embark on a star-crossed romance. As they challenge each other to chase their dreams and fall for each other under the summer night sky, Katie and Charlie form a bond strong enough to change them -- and everyone around them -- forever.

A magical meditation on the powerful idea that we are connected to everything and everyone. Playful illustrations and funny, rhyming text show readers all of the many ways we are linked to every big, small, hairy, slimy, snuggly, scaly, floppy, flappy, bristly, buzzy, beautiful creature on Earth. "One of *Bala Kids*'s inaugural releases, this waggish picture book takes its title to heart, emphasizing readers' connection to an eclectic roundup of people, objects, and phenomena." "Publishers Weekly" "Jason Gruhl invokes Dr. Seuss with some light rhyming and brings up everything that entrances children—tarantulas, slime, comets, you name it. Ignasi Font's visually complex and incredibly funny illustrations (a blobfish that looks like Squidward?) will keep kids observing even on the hundredth read. The book is destined to become a dharma classic." "Tricycle" Everything is connected. And since you are part of everything, you are connected to everything: to pharaohs, Ben Franklin, T. Rex, ancient Greece, to love and to poverty, hunger and peace!
