The Teacher and Technician Planning Pack is designed to give you maximum support for Exploring Science: Working Scientifically. Including: \* Detailed Technician notes \* All the answers to all the questions in the Student Book and Activity Pack \* Background information for each unit, including explanations of the science and potential misconceptions \* Full mapping of the units to the curriculum and skills coverage, including a Blooms' Taxonomy for each unit \* All the lesson plans from the ActiveTeach Planner

Level: KS3 Subject: Science Research proves that repeated practice is more effective than repeated study, which is why this KS3 Science workbook provides plenty of practice opportunities for all Year 8 Science topics. Packed with biology, chemistry and physics practice questions, students will be able to reinforce and test their understanding of all the lessons taught in school. Not only does this science book encourage students to achieve their best possible results, but it will build confidence by ensuring fluency in all Year 8 science skills taught at Key Stage 3. For more KS3 Science study materials, try our KS3 Science All-in-One Revision and Practice (9780007562831).

Useful for the first three years of Secondary school, this is a three book series. It provides an introduction to the world of Science and is a helpful foundation for CXC separate sciences and CXC single award Integrated Science. Written in clear English, it is suitable for a range of abilities.

"Australian curriculum science-foundation to year 7 is a series of books written specifically to support the national curriculum. Science literary texts introduce concepts and are supported by practical hands-on activities, predominately experiments."--Foreword.

"Exploring Science: Working Scientifically has been designed to deliver the new National Curriculum and the Science Programmes of Study for Key Stage 3 (published September 2013)."--Page 1 of Teacher and technician planning pack.
