Guided reading is an instructional approach that involves a teacher working with a small group of students who demonstrate similar reading behaviors and can read similar levels of texts. The text is easy enough for students to read with your skillful support; it offers challenges and opportunities for problem solving, but is easy enough for students to read with some fluency.

Guided Reading and Review Workbook - Scio School District

As most teachers know, Guided Reading is meant to be conducted on student's instructional level. I really like the articles in this book, but with a range of 3rd-6th grade, it's really hard to target specific readers and their specific levels to give them the guided instruction they need at the appropriate level for them.
