*User manual HP Pavilion G7 (56 pages)*  
Just wondering if the hp manual link you supplied here is for all/most G7's. Mine is a G7-1310US, and every thing in the h10032 manual that you gave the link for seems about the same as mine. I got a message at last boot up saying the cooling fan was not operating. I ordered one from amazon at a cheap price.
