Intelligence And Private Investigation Developing  
Intelligence and Private Investigation: Developing Sophisticated Methods for Conducting Inquiries (Paperback) Hank Prunckun (Editor) I love the human element. It's the most brilliant and least secure link in any corporate structure. The very things that make human beings so interesting and unpredictable also make them vulnerable.

Book Review: Intelligence and Private Investigation  
Intelligence and Private Investigation: Developing Sophisticated Methods for Conducting Inquiries examines how private investigation has grown over the past several decades into an exacting, sophisticated, professional occupation with standards.

Intelligence and Private Investigation: Developing ...  
In some, developing intelligence will be a fast-track action. There are many types of intelligence source available to the investigator. Some of these are freely available, while access to others is controlled by legislation such as the Regulation of Investigatory Powers Act 2000 (RIPA). As a result, deployment depends on the nature and complexity of the investigation and the necessity and proportionality of their use.
