The five volume set, Karma Chakme's Mountain Dharma, includes the text as taught by Khenpo Karthar Rinpoche at Karma Triyana Dharmachakra (KTD) from 1999 to 2003, with translations by Lama Yeshe Gyamtso and Chojor Radha. Volume two examines the complete path of Mahamudra from initial experience to full realization. There is emphasis on how to conduct a proper retreat, including the use of geomancy in determining the appropriate site, the longevity practices of White Tara and Tseringma, chA practice, and how to use compassion as protection from fear and danger. This volume introduces the tantras, and gives anuttara yoga tantra instructions for Vairochana purification practices both for oneself and for the deceased.

"This brand new title in the ABC series provides a comprehensive overview of pre-hospital medicine, including transport, patient assessment, emergency care systems, and pre-hospital interventions. With pre-hospital care being the start of the "trauma chain", the treatment patients receive on-scene as well as en-route can be life-saving, and this new title is invaluable for all staff involved in emergency and pre-hospital medicine"--Provided by publisher.
