Letters to a Young Chemist. Edited by Abhik Ghosh. Letters to a Young Chemist. Edited by Abhik Ghosh. Hartinger, Christian 2011-12-23 00:00:00 Could there have been any better time to publish a popular science book like Letters to a Young Chemist than in the International Year of Chemistry? I have just been asked by a student what I would recommend him to do in the future.

Letters to a Young Chemist, Edited by Abhik Ghosh...

Young people are moving away from science and it is a very serious problem. This phenomenon is particularly apparent in Japan. The only thing to do in a country with no natural resources, like Japan, is to use ingenuity to create something new. It is up to young people and them alone to find their hopes and ideals in science.
