10 years ago, I opened my little treasure on Merrick Road and called it "Made By Me". An empty storefront with white walls and a concrete floor held my dream and vision to share my love and passion for Art with the Massapequa community. Little did I know 10 years ago, that Made By Me would be part of countless children's memories.

"It is made by" is grammatically incorrect. The preposition "by" demands the accusative, objective, or oblique (different names for the same thing in English grammar) case (eg, me, him, her, us, them) for its object. In modern English only some of the personal pronouns have such cases.

An illustrated examination of Mark Leckey's celebrated video montage. In 1999, the British

artist Mark Leckey released his video-montage *Fiorucci made me Hardcore*, a dreamscape vignette that communes with the rapturous promises of youth. Putting archive material to use, Leckey entwined footage of underground dance and street culture in Britain with audio gifted and recorded in the artist's studio. In this illustrated study, the first comprehensive examination of the work, Mitch Speed argues that by interweaving personal and collective memory, this work gives voice to the complexities of class and cultural transformation during Britain's Thatcherite era. Oscillating between local and expansive resonances, *Fiorucci made me Hardcore* takes form as a homage, love letter, and work of criticism that eschews analysis, instead incanting the deeper implications of its subject.

Bestselling and award-winning author Trista Mateer takes an imaginative approach to self-care in this new poetry and prose collection, *Aphrodite Made Me Do It*. In this empowering retelling, she uses the mythology of the goddess to weave a common thread through the past and present. By the end of this book, *Aphrodite* will make you believe in the possibility of your own healing.

Powerful and moving stories of inspiration, adversity, and triumph from the Washington Speakers Bureau. Starting a business is a wonderfully naïve venture. Only a fortunate few will survive—and very few of those who thrive will have something special to say about failure, success, and leadership. Bernie Swain is one of those few very fortunate people. He quit his

job in 1980 to start a lecture agency with his wife and a friend. By the end of their first rocky year—just as his savings were running out—Swain’s first revenues trickled in. He began signing every speaker on a handshake; this proved to be the hallmark of trust that helped accelerate the company’s growth. Years later, his roster of speakers would be the greatest in history since America’s first agency represented a host of notables such as Mark Twain, Susan B. Anthony, and Frederick Douglass. The firm continues its practice of signing speakers on the strength on a handshake. The best of Swain’s fortunes turned out to be the speakers themselves because these remarkable leaders had become his friends. *What Made Me Who I Am* captures the leadership transformations of 34 of those friends—from Doris Kearns Goodwin to Colin Powell, Terry Bradshaw to Tom Brokaw, and Tony Blair to Dave Barry. This assembly of people defines a generation. What were their most powerful influences? Defining moments? Decisions that contributed the most to their character and accomplishments? Swain captures answers to these questions and more in an inspiring, practical collection of true-life stories for leaders today. *What Made Me Who I Am* is also a terrific gift book for graduates and others who are just starting out in life.

God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, *God Made All of Me* helps parents navigate discussion that can so easily be warped into confusion,

embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of *God Made All of Me*, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. *God Made All of Me* is the first children's book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore *God Made All of Me* and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

A picture book for expectant fathers and already-fathers everywhere—a perfect gift for Father's Day and baby showers. In this touching celebration of fatherhood, the close bond between parent and child comes to life with heartwarming resonance. joys, fears, and responsibilities of being a dad over the years. Tear-inducing in the best way, and a great companion to the team's *You Made Me a Mother*. I loved you before I saw you. When you were just a heartbeat. Then a picture. Then a teeny-tiny kick...

YA author Jenna Guillaume is back with a fun and modern feminist twist on the 1985 pop cult film *Weird Science*. Sixteen-year-old Katie Camilleri can't believe she's accidentally created a teenage boy. A boy six-feet tall with floppy hair and eyes like the sky on a clear summer's day. A boy whose lips taste like cookie dough and whose skin smells like springtime. A boy completely devoted to Katie. But silly musings and kitchen antics with her best friend, Libby, have definitely taken a whimsical twist into something bigger than Katie could have ever daydreamed. Turns out the consequences of fumbling a human being into existence are rather complicated. More importantly, does Guy, the golden Adonis Katie's created, like her because he wants to, or because he has to? And will he be Katie's very first kiss? From the author of *What I Like About Me* comes a hilarious feminist twist on a classic narrative, loaded with laughs, mishaps, and plenty of 80s and 90s pop-culture callbacks. Jenna Guillaume's entertaining romantic comedy novel features a humorous and relatable voice and will appeal to fans of Jenny Han.
