There are numerous books available in the market on the subject of Share Market. However, in this book, the author attempts to elucidate the complicated aspects of financial domain in a clear and simple manner. The modus operandi of the share market, commodity market, mutual funds and idiomatic language used in the market are explained with illustrations. The author presents her suggestions for selection of a good broker. Explanations on the factors impacting the market, asset allocation and discussions on popular methods of investment for the benefit of readers are the special features of the book. This would work as a great guide not only for beginner investors but also for students of degree courses, academic certifications and professional examinations.

As a motivational trainer & networking specialist, I interacted with many directors and top leaders of leading network marketing companies. More than 1 million networkers participated in my seminars. After working hard for years, I could understand, why one person succeeds in this system and why another fails? Why one company survives and reaches the top while an other company has to shut doors? Now I am confident that this is not an easy earning system, neither a shortcut to attain wealth. This system demands hard work and devotion. I personally believe that it.

Winners don't different things, they do things differently A practical, common-sense guide that will lead you from ancient wisdom to modern-day thinking, You Can Win will help you to establish new goals, develop a renewed sense of purpose, and generate fresh and exciting ideas about yourself and your future. Shiv Khera guarantees, as the title suggests, a lifetime of success. The book enables you to translate positive thinking into attitude, ambition and action, all of which combine to give you the winning edge. This book will help you to: · Build confidence by mastering the seven steps to positive thinking; · Be successful by turning weaknesses into strengths; · Gain credibility by doing the right things for the right reasons; · Take charge by controlling things instead of letting them control you; · Build trust by developing mutual respect with the people around you; and · Accomplish more by removing the barriers to effectiveness.
