Grade 4. Student Book A.

Download Ebook Math In Focus Workbook 4b

Singapore Math creates a deep understanding of each key math concept, is a direct complement to the current textbooks used in Singapore, includes an introduction explaining the Singapore Math method, and includes step-by-step solutions in the answer key. Singapore Math, for students in grades 2 to 5, provides math practice while developing analytical and problem-solving skills. Learning objectives are provided to identify what students should know after completing each unit, and assessments are included to ensure that learners obtain a thorough understanding of mathematical concepts. Perfect as a supplement to classroom work, these workbooks will boost confidence in problem-solving and critical-thinking skills!

Math in Focus®' is the U.S. edition of Singapore's most widely used primary program, My Pals are Here! Maths. Correlated to the Common Core Standards and aligned to the Singapore Mathematics Framework, Math in Focus®' provides world-class mathematics instruction that meets the specific needs of U.S. students.
