The Monster Manual is the primary bestiary sourcebook for monsters in the Dungeons & Dragons fantasy role-playing game, first published in 1977 by TSR. It includes monsters derived from mythology and folklore, as well as creatures created specifically for D&D. It describes each with game-specific statistics, and a brief description of its habits and habitats. Most of the entries also have an image of the creature. Along with the Player's Handbook and Dungeon Master's Guide, it is one of the thre
