Latifa was born into an educated middle-class Afghan family in Kabul in 1980. She dreamed of one day of becoming a journalist, she was interested in fashion, movies and friends. Her father was in the import/export business and her mother was a doctor. Then in September 1996, Taliban soldiers seized power in Kabul. From that moment, Latifa, just 16 years old became a prisoner in her own home. Her school was closed. Her mother was banned from working.

The simplest and most basic freedoms - walking down the street, looking out a window - were no longer hers. She was now forced to wear a chadri. My Forbidden Face provides a poignant and highly personal account of life under the Taliban regime. With painful honesty and clarity Latifa describes the way she watched her world falling apart, in the name of a fanatical interpretation of a faith that she could not comprehend. Her voice captures a lost innocence, but also echoes her determination to live in freedom and hope. Earlier this year, Latifa and her parents escaped Afghanistan with the help of a French-based Afghan resistance group.

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot

Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

Is there an idiosyncratically Jewish hermeneutic? Did such ever obtain in Jewish history? Is there an idiosyncratically Jewish theology? Did such ever obtain in Jewish history? Did the two ever obtain at once and together in Jewish history? The answer to all of these questions is: Yes. Come and explore -- with an idiosyncratically odd interpreter of things Jewish -- a special brief moment in the history of Jewish letters. One is speaking of roughly 75 CE to roughly 95 CE. Come and explore what was birthed in that time period. Come and explore how what was birthed in that time period came to
