university-level study is essential if you want to succeed. Andrew Green takes you from the A level/school/MA26 classroom to the university lecture theatre, covering everything from: • deciding which university and course is right for you • making initial applications • tackling Summer reading lists to the skills needed for studying at degree level: • preparing for lectures, seminars and tutorials • interpreting reading lists and developing your reading skills • applying literary theory • becoming a better writer • referencing an essay and avoiding plagiarism • researching online. Whether you are just thinking about taking English Literature to degree level, or needing help through your university course, Starting an English Literature Degree is the must-have companion.

The English Studies Book is uniquely designed to support students and teachers working across the full range of language, literature and culture. Combining the functions of study guide, critical dictionary and text anthology, it has rapidly established itself as a core text on a wide variety of degree programmes nationally and internationally. Revised and updated throughout, features of the second edition include: * a new prologue addressing changes and challenges in English Studies * substantial entries on over 100 key critical and theoretical
