Authored by Paul Hewitt, the pioneer of the enormously successful "concepts before computation" approach, Conceptual Physics boosts student success by first building a solid conceptual understanding of physics. The Three Step Learning Approach makes physics accessible to today's students. Exploration - Ignite interest with meaningful examples and hands-on activities. Concept Development - Expand understanding with engaging narrative and visuals, multimedia presentations, and a wide range of concept-development questions and exercises. Application - Reinforce and apply key concepts with hands-on laboratory work, critical thinking, and problem solving.

Prentice Hall Physical Science: Concepts in Action helps students make the important connection between the science they read and what they experience every day. Relevant content, lively explorations, and a wealth of hands-on activities take students' understanding of science beyond the page and into the world around them. Now includes even more technology, tools and activities to support differentiated instruction!

Scholars and critics examine key aspects of Williams's craft and individual plays, recurrent themes and attitudes in the plays, and Williams's overall achievement

IF YOU'RE GOING THROUGH A DIVORCE, YOU NEED A FRIEND AND A GUIDE Divorce can be intimidating, but you don't have to go through it alone. Miles Mason, Sr. set out to create the ultimate handbook to help a spouse through the divorce process. To that end, this book addresses a variety of topics that the compassionate professionals of the Miles Mason Family Law Group know best, including advice needed to get the learning process started, hiring your divorce team, custody and parenting plans, and how courts view dating during separation. The book is easy to read, and will be a valuable tool as you find your way through the divorce process. Miles Mason, Sr. JD, CPA is a divorce lawyer in Memphis, Tennessee. Mason is recognized as a Tennessee "Super Lawyer" and was awarded a "Superb" (10/10) rating on Avvo. Frequently interviewed by television news and national media for commentary, Inside Memphis Business named Mason a "Family Law Power Player," and the Memphis Bar Foundation honored him as a fellow. He has also been inducted into the Christian Brothers High School Hall of Fame for his community service. You can find additional information, as well as updates to this book, at MemphisDivorce.com and its Tennessee Family Law Blog. You don't have to go it alone.
