A person is a punk if they do their time satisfying (an)other people's desires..sexually, financially or wnatsoever, under threat or perceived threat of violence. A few things to consider: The stereotype of being a punk as conveyed in a lot of answers is pretty rare in most non-private prisons this day in age.

Forget what prison movies depict about the necessity of joining a prison gang for survival. In most prisons, you do not need to join a gang for protection. I was never part of a prison gang and I never got beat up, stabbed, raped or anything like that.

When seventeen-year-old T. J. Parsell held up the local Photo Mat with a toy gun, he was sentenced to four and a half to fifteen years in prison. The first night of his term, four older inmates drugged Parsell and took turns raping him. When they were through, they flipped a coin to decide who would "own" him. Forced to remain silent about his rape by a convict code among inmates (one in which informers are murdered), Parsell's experience that first night haunted him throughout the rest of his sentence. In an effort to silence the guilt and pain of its victims, the issue of prisoner rape is a story that has not been told. For the first time Parsell, one of America's leading spokespeople for prison reform, shares the story of his coming of age behind bars. He gives voice

to countless others who have been exposed to an incarceration system that turns a blind eye to the abuse of the prisoners in its charge. Since life behind bars is so often exploited by television and movie reenactments, the real story has yet to be told. Fish is the first breakout story to do that.

A Lambda Literary Award finalist, *Captive Genders* is a powerful tool against the prison industrial complex and for queer liberation. This expanded edition contains four new essays, including a foreword by CeCe McDonald and a new essay by Chelsea Manning. Eric Stanley is a postdoctoral fellow at UCSD. His writings appear in *Social Text*, *American Quarterly*, and *Women and Performance*, as well as various collections. Nat Smith works with Critical Resistance and the Trans/Variant and Intersex Justice Project. CeCe McDonald was unjustly incarcerated after fatally stabbing a transphobic attacker in 2011. She was released in 2014 after serving nineteen months for second-degree manslaughter.

Nineteen-year-old Frank Friedmaier lives in a country under occupation. Most people struggle to get by; Frank takes it easy in his mother's whorehouse, which caters to members of the occupying forces. But Frank is restless. He is a pimp, a thug, a petty thief, and, as *Dirty Snow* opens, he has just killed his first man. Through the unrelenting darkness and cold of an endless winter, Frank will pursue abjection until at last there is nowhere to go. Hans Koning has described *Dirty Snow* as "one of the very few novels to come out of German-occupied France that gets it exactly right." In a study of the criminal mind that is comparable to

Jim Thompson's *The Killer Inside Me*, Simenon maps a no man's land of the spirit in which human nature is driven to destruction—and redemption, perhaps, as well—by forces beyond its control.

“An unforgettable look at the peculiar horrors and humiliations involved in solitary confinement” from the prisoners who have survived it (New York Review of Books). On any given day, the United States holds more than eighty-thousand people in solitary confinement, a punishment that—beyond fifteen days—has been denounced as a form of cruel and degrading treatment by the UN Special Rapporteur on Torture. Now, in a book that will add a startling new dimension to the debates around human rights and prison reform, former and current prisoners describe the devastating effects of isolation on their minds and bodies, the solidarity expressed between individuals who live side by side for years without ever meeting one another face to face, the ever-present specters of madness and suicide, and the struggle to maintain hope and humanity. As Chelsea Manning wrote from her own solitary confinement cell, “The personal accounts by prisoners are some of the most disturbing that I have ever read.” These firsthand accounts are supplemented by the writing of noted experts, exploring the psychological, legal, ethical, and political dimensions of solitary confinement. “Do we really think it makes sense to lock so many people alone in tiny cells for twenty-three hours a day, for months, sometimes for years at a time? That is not going to make us safer. That’s not going to make us stronger.” —President Barack Obama “Elegant but harrowing.” —San Francisco Chronicle “A potent cry

of anguish from men and women buried way down in the hole.” —Kirkus Reviews

"A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one — and how we can come together to stop it. Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding current events in politics and pop-culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for *The Macho Paradox*: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

Gonzo journalist and literary roustabout Hunter S.

Thompson flies with the angels—Hell’s Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, *Hell’s Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external

manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

INSTANT NEW YORK TIMES BESTSELLER “If you’re a fan like I am this is definitely the book for you.” —Pete Davidson, actor, producer, and cast member on Saturday Night Live “Danny’s incredible life story shows that even though we may fall down at some point in our lives, it’s what we do when we stand back up that really counts.” —Robert Rodriguez, creator of Spy Kids, Desperado, and Machete Discover the full, fascinating, and inspirational true story of Danny Trejo’s journey from crime, prison, addiction, and loss—it’s “enough to make you believe in the possibility of a Hollywood ending” (The New York Times Book Review). On screen, Danny Trejo the actor is a baddie who has been killed at least a hundred times. He’s been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he’s a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country’s most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as Heat, From Dusk till Dawn, and Machete. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world’s most notorious serial killers in prison and working with legends like

Charles Bronson and Robert De Niro. An honest, unflinching, and “inspirational study in the definition of character” (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.

In *Black Sexual Politics*, one of America's most influential writers on race and gender explores how images of Black sexuality have been used to maintain the color line and how they threaten to spread a new brand of racism around the world today.
