Rage on the Right by Lane Crothers | Waterstones

Rage on the Right explores militia activity and ideology. The image of the militia as ordinary people coming together in times of crisis to help their fellow citizens is deeply embedded in American society and culture. Recent claimants to the militia title have adopted this image even as they have promoted a radically anti-government, populist conservative political agenda.

Rage on the Right: The American Militia Movement from Ruby ...

The radical right caught fire last year, as broad-based populist anger at political, demographic and economic changes in America ignited an explosion of new extremist groups and activism across the nation. Hate groups stayed at record levels — almost 1,000 — despite the total collapse of the second largest neo-Nazi group in America. Furious anti-immigrant vigilante groups soared by nearly 80%, adding some 136 new groups during 2009.
