Proverbs, riddles, and charms. Three of
the shorter forms of folk

literature—proverbs, riddles, and

charms—are not confined to oral

expression but have appeared in written

literature for a very long time. The proverb

that expresses in terse form a statement

embodying observations about the nature

of life or about wise or unwise conduct

may be so much an oral tradition as to

serve in some preliterate societies as a

sanction for decisions and may even be

employed as lawyers employ court ...

Although tales and proverbs are self-contained in meaning, their contextualised meanings are more significant. The former are part of the Muduvan oral heritage, while the latter are the rejuvenated forms of these inheritances which give them renewed life from time to time. The first genre considered here is the tale.

Folktales Folktales: A folktale is a popular story that was passed on in spoken form, from one generation to the next. Usually the author is unknown and there are often many versions of the tale. Folktales comprise fables, fairy tales, old legends and even 'urban legends'. Children develop a sense of imagination when reading and studying folktales, and retelling the tales to others helps ...

PROVERBS AND RIDDLES. Proverbs
and riddles are pithy verbal expressions
handed down over the course of many
generations. Both forms are grounded in
the familiar, but in opposite ways. While
proverbs tend to re-familiarize the
familiar, riddles tend to de-familiarize the
familiar.
