Rifles for Watie is a children's novel by American writer Harold Keith. It was first published in 1957, and received the Newbery Medal the following year. Set during the American Civil War, the plot revolves around the fictional sixteen-year-old Jefferson Davis Bussey, who is caught up in the events of history. Actual historical personages and battles are seen from the viewpoint of an ordinary soldier, enabled by the choice of protagonist. Harold Keith spent many years interviewing Civil War vet

Perhaps his best known story, the historical novel "Rifles for Watie", was first released in 1957. It went on to win the 1958 John Newbery Medal and the 1964 Lewis Carroll Shelf Award. In 1998, Harold Keith died of congestive heart failure, in Norman, Oklahoma.

Rifles for Watie **by** **Harold** **Keith** **---** **Goodreads**

Rifles for Watie shows the brutality of war and the realities of serving in a combat zone as opposed to the romanticized myth of war as adventure or as a rite of passage. Although Rifles for Watie and its protagonist ultimately stand firmly on the side of the Union, the novel offers critical generosity in its portrayal of those who fought for and supported the Confederacy.

"Rifles for Watie", in my opinion, is the best book ever written. At the beginning of the story the main character, Jeff Bussey, is on his way to sign up for the union army. He thinks he is going to get glory and fame, but he has no idea what he is in for.

Rifles for Watie Themes Identity and Blurred Lines in the Civil War At the beginning of the novel, Jeff believes that there is only one right side in the narrative of the Civil War. He associates the Union with the protection of everything he knows and loves and the Confederacy with that which threatens his family and way of life.

Rifles for Watie **Themes** **|** **SuperSummary**

Jeff Bussey walked briskly up the rutted wagon road toward Fort Leavenworth on his way to join the Union volunteers. It was 1861 in Linn County, Kansas, and Jeff was elated at the prospect of fighting for the North at last. In the Indian country south of Kansas there was dread in the air; and the name, Stand Watie, was on every tongue. A hero to the rebel, a devil to the Union man, Stand Watie ...

Winner of the Newbery Medal * An ALA Notable Children ' s Book * Winner of the Lewis Carroll Shelf Award A captivating and richly detailed novel about one young soldier who saw the Civil War from both sides and lived to tell the tale. Earnest, plain-spoken sixteen-year-old Jeff Bussey has finally gotten his father ' s consent to join the Union volunteers. It ' s 1861 in Linn County, Kansas, and Jeff is eager to fight for the North before the war is over, which he ' s sure will be soon. But weeks turn to months, the marches through fields and woods prove endless, hunger and exhaustion seem to take up permanent residence in Jeff ' s bones, and he learns what it really means to fight in battle—and to lose friends. When he finds himself among enemy troops, he " ll have to put his life on the line to advance the Union cause. Thoroughly researched and based on firsthand accounts, Rifles for Watie " should hold a place with the best Civil War fiction for young people " (The Horn Book). A strong choice for independent reading and for sharing in a classroom and for homeschooling. As a homeschool cooperative teacher commented: "The book has launched many discussions in our class. When a person is on one side of a conflict, it is important to remember that people on the other side are also people. Jeff is a perfect model for how treating people with respect can happen even in war."

Jeff Bussey walked briskly up the rutted wagon road toward Fort Leavenworth on his way to join the Union volunteers. It was 1861 in Linn County, Kansas, and Jeff was elated at the prospect of fighting for the North at last. In the Indian country south of Kansas there was dread in the air; and the name, Stand Watie, was on every tongue. A hero to the rebel, a devil to the Union man, Stand Watie led the Cherokee Indian Na-tion fearlessly and successfully on savage raids behind the Union lines. Jeff came to know the Watie men only too well. He was probably the only soldier in the West to see the Civil War from both sides and live to tell about it. Amid the roar of cannon and the swish of flying grape, Jeff learned what it meant to fight in battle. He learned how it felt never to have enough to eat, to forage for his food or starve. He saw the green fields of Kansas and Okla-homa laid waste by Watie's raiding parties, homes gutted, precious corn deliberately uprooted. He marched endlessly across parched, hot land, through mud and slash-ing rain, always hungry, always dirty and dog-tired. And, Jeff, plain-spoken and honest, made friends and enemies. The friends were strong men like Noah Babbitt, the itinerant printer who once walked from Topeka to Galveston to see the magnolias in bloom; boys like Jimmy Lear, too young to carry a gun but old enough to give up his life at Cane Hill; ugly, big-eared Helfer, who made the best sourdough biscuits in the Choctaw country; and beautiful Lucy Washbourne, rebel to the marrow and proud of it. The enemies were men of an-other bread - hard-bitten Captain Clardy for one, a cruel officer with hatred for Jeff in his eyes and a dark secret on his soul. This is a rich and sweeping novel-rich in its panorama of history, in its details so clear that the reader never doubts for a moment that he is there; in its dozens of different people, each one fully realized and wholly recognizable. It is a story of a lesser -- known part of the Civil War, the Western campaign, a part different in its issues and its problems, and fought with a different savagery. Inexorably it moves to a dramati-c climax, evoking a brilliant picture of a war and the men of both sides who fought in it.

This is the story of Stand Watie, the only Indian to attain the rank of general in the Confederate Army. An aristocratic, prosperous slaveholding planter and leader of the Cherokee mixed bloods, Watie was recruited in Indian Territory by Albert Pike to fight the Union forces on the western front. He organized the First Cherokee Rifles on July 29, 1861, and was commissioned a colonel. In 1864, after battling at Wilson ' s Creek and Pea Ridge, he became brigadier general. Watie was the last Confederate general to lay down his arms in surrender, two months after Appomattox. " Frank Cunningham tells with all its gusto, hard riding, triumph, and heartbreak, the story of Stand Watie ' s Cherokee Brigade that fought mightily in Missouri, Arkansas, and the present Oklahoma, under Generals Sterling Price, Thomas C. Hindman, Kirby Smith, and other commanders of the Trans-Mississippi Department, and when no superior officer was available, then pell mell and uncompromisingly on its own. " —North Carolina Historical Review " A graphic and authentic account of General Stand Watie and his Indian troops....[I] fills a long-neglected gap in the Civil War annals. " —Civil War History

Ten exciting tales in graphic novel format recapture episodes from both sides of the Civil War. Readers of all ages will thrill to accurate depictions of military and civilian life.

Jeff Bussey, a young Union volunteer, is sent to spy on Confederate Cherokee raiders.

Although many Indian nations fought in the Civil War, historians have given little attention to the role Native Americans played in the conflict. Indian nations did, in fact, suffer a higher percentage of casualties than any Union or Confederate state, and the war almost destroyed the Cherokee Nation. In The Confederate Cherokees, W. Craig Gaines provides an absorbing account of the Cherokees' involvement in the early years of the Civil War, focusing in particular on the actions of one group, John Drew's Regiment of Mounted Rifles. As the war began, The Cherokees were torn by internal political dissension and a simmering thirty-year-old blood feud. Entry into the war on the Confederate side did little to resolve these intractable tensions. One faction, loyal to Chief John Ross, formed a regiment led by John Drew, Ross's nephew by marriage. Another regiment was formed by Ross's rival, Stand Watie. The Watie regiment was largely pro-Confedrate, whereas many of Drew's soldiers, though fighting for the Confederate cause, were secretly members of a pro-Union, antislavery society known as the Kestowahs. They had little sympathy for the southern whites, who had driven them from their ancestral homelands in Alabama, Georgia, North Carolina, Kentucky, and Tennessee. Drew's regiment nonetheless earned a degree of infamy during the Battle of Pea Ridge, in Arkansas, for scalping Union soldiers. Gaines writes not only about the actions of Drew's regiment but about military events in the Indian Territory in general. United action was almost impossible because of continuing factionalism within the tribes and the desertion of many Indians to the Union forces. Desertion was so high that Drew's regiment was effectively disbanded by mid-1862, and the soldiers did not complete their one-year enlistment. Drew's regiment bears the distinction of being the only Confederate regiment to lose almost its entire membership through desertion to the Union ranks. Gaines's solidly researched, ground-breaking history of this ill-fated band of Cherokees will be of interest to Civil War buffs and students of Native American history alike.
