Russian blue kittens | Pets - Gumtree

At this point, Russian Blues were shorthaired, solid blue felines with foreign body types. From photos and published sources of the time, the original coat was thick, dense, glossy, and colored a light silver-blue. Russian Blues competed in the same class with all other shorthaired blues, despite obvious differences in type. Since the round-headed, cobby British Blues were favored in the show halls, the slender Russian Blues rarely won.
