activates compassionate love in flourishing relationships. By applying Appreciative Inquiry (AI) methodology and family systems theory, the book captures the spiritual, emotional, and sexual dimensions in Black couple systems that gives meaning to their resilient relationships in the context of contemporary America. Within the framework of compassionate love, the book highlights the need for researchers and clinicians to include the broader cultural contexts in their sexual trauma-informed studies and interventions. Using genetic studies and empirical evidence, the volume contributes significantly to discussion around Black relationships and historical trauma and to the broader challenges within race relations in the United States. This book will benefit researchers, academicians, and clinicians with an interest in sexual trauma, marriage, and family therapy, and couples counseling more broadly. Readers will also find this book useful when designing research in Black studies, intergenerational issues, or sexual intimacy.
