STRUCTURE AS  
ARCHITECTURE -

McGill University

As nouns the difference

*Page 19/31*

# Acces PDF Structure As

between structure and architecture is that structure is a cohesive whole built up of distinct parts while architecture is the art and science of designing buildings and other structures. As a verb structure is to give structure to; to arrange.

Structure vs  
Architecture - What's  
the difference? |

A structure is an  
arrangement and

# Acces PDF Structure As

organization of interrelated elements in a material object or system, or the object or system so organized.

Material structures include man-made objects such as buildings and machines and natural objects such as biological organisms, minerals and chemicals.

Abstract structures include data structures
