I was sold to werewolves. They said I’m the Lost Princess of Howling Sky. I said I’m just Sorissa. They said I’m to be claimed by a lecherous prince and that I’ll end some timeless war between werewolves, vampires, and humans. I made other plans. Then four powerful werewolves from a rival kingdom came out of nowhere, and I was stolen again. They call themselves Phantom Fangs. Now, they’re taking me to their kingdom to keep me “safe.” They probably intend

for some other prince to claim me instead. But I’m going to change their minds. They’re different from the other werewolves. They’re kind, they listen to me, and they make my blood run hot. Can I trust them? Claim the princess, rule the world.

I’m the Lost Princess of Howling Sky. Only a few days ago, I would have said that was crazy, that I’m just Sorissa. Now I’m living crazy. Everybody wants to use me for their own gain in the Prime War. Except for Phantom Fangs, my werewolves. I left with vampires to save their lives. Maybe the vampires intend to kill me, but I’m not that fragile. I’ll survive, and I’ll keep my werewolves safe. Five hearts become one.

I have a war to end. I’ve become Queen of Wolf Bridge, and I’m taking Paws Peak next. But my body is revolting. Two of my four mates have sealed me. It isn’t enough. If I’m reckless, everything will fall apart. Tenuous ideas of peace between werewolves, vampires, and humans are riding on my moonlight. My need overshadows reason. Once all of my mates take me, I’ll be whole, but the world might be damned. One story ends, another begins.

The final battle is coming. The four-man werewolf squad known as Phantom Fangs has a game plan to end the timeless world war between werewolves, vampires, and humans. The pieces have fallen into place. There will soon be a clear victor. But everything changes when a certain lost werewolf princess turns out to be much more than a myth. Claim the princess, rule the world. Four sexy werewolf men + one spunky werewolf princess = all the romance The Lost Princess of Howling Sky Prologue: Phantom Fangs Book 1: Taken by Werewolves Book 2: Saving the Werewolves Book 3: Queen of Werewolves The Lost Princess of Howling Sky is a reverse harem (some M/M) paranormal werewolf romance series with a healthy helping of high fantasy elements. It showcases four hot and protective as hell werewolf men and one go-getter werewolf woman who gets ALL the guys. The books must be read in order and the HEA, happily ever after, won’t come until the last book. \*\*\*This is a steamy romance series. Naughty language, intense scenes, and sexy times. For mature audiences only.

The first novel in a chilling new series by Darren Shan, author of the New York Times bestselling Cirque Du Freak series, will keep readers turning page after horrifying page. Grubbs Grady has stiff red hair and is a little big for his age, which means he can get into R-rated movies. He hates history and loves bacon, rats, and playing tricks on his squeamish older sister. When he opts out of a family weekend trip, he never guesses that he is about to take a terrifying journey into darkness. Hungry demons and howling werewolves haunt his waking nightmares... and threaten his life.

Deserted by the pack when she was a child, rogue, Kacie Marks is used to defending herself, and she’s happy to keep doing so, even when vampires invade her woods. However, rogue hunter, Bryce Kinkaid has other plans for her, plans that involve using Kacie as bait for the vampires intent on destroying every werewolf they can find. Kacie evades both vampires and Bryce at first, but the rogue hunter isn’t one to give up. Especially after he gets close enough to Kacie to realize she means much more to his wolf than just bait in his vampire trap. Story 4 in Lost series, Rogue is a 16,000 word short story. Check out the others in the series Lost, Found and Claimed.

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller--with a profoundly human heart. Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh, with a voracious libido and a hunger for meat that drives him crazy each full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a legend that has lived for thousands of years. But there are two dangerous groups--one new, one ancient--with reasons of their own for wanting Jake very much alive.

Ava has escaped from Paskell, but when she meets her new little brother Finn, their connection is unbreakable. So when he’s taken by an unknown kidnapper, she has a choice: Stay safe, or go home. Being a werewolf has some advantages, but nothing can protect her heart from seeing Cyrus again. Will revenge destroy her family, or bring her back full circle.

Forget what you’ve been told. Werewolves do exist. And their numbers are growing. "Does for werewolves what The Walking Dead has done for zombies" ... "Full of surprise and suspense" When a wave of vicious attacks sweeps across London, there are reports of a Beast on the loose. There are fears of a Ripper stalking the streets. But the truth is more terrifying than anyone can imagine. Werewolves are prowling the city. Hunting and killing. Lycanthropy, a disease as old as humanity, now threatens to destroy civilization. With no cure, no vaccine, and millions of potential victims, it’s spreading through the capital at exponential rates. And every werewolf bite has just two possible outcomes - death or infection. The werewolf apocalypse is here, and it’s only just beginning. WOLF BLOOD is the first in the LYCANTHROPIC apocalyptic werewolf series. If you enjoy the zombie apocalypse, dystopian or post-apocalyptic science fiction, horror, grimdark or dark fantasy, or multi-protagonist sagas, don't miss out on the next big trend in apocalyptic fiction.
