Accomplished MMA fighter and award-winning writer Cameron Conaway presents in Caged the true story of a young man who overcomes a family background and his own inner torment by learning to channel his frustrations into the physical world of mixed martial arts fighting and the cerebral world of poetry and writing. It teaches the value of personal reflection, how life's most painful moments can lead to a deeper understanding and appreciation of human nature, and just what is possible when optimism and determination combine to overcome tough odds. Caged shows how the pursuit of two seemingly disparate passions helped a struggling boy blossom into a simple man. The result is a literary and lyrical philosophical journey into the heart and mind of a modern-day warrior.

"When a mixed martial arts (MMA) gym moves in across the street from his office, Jonathan Gottschall sees a challenge, and an opportunity. Pushing forty, out of shape, and disenchanting with his job as an adjunct English professor, part of him yearns to cross the street and join up. The other part is terrified. Gottschall eventually works up his nerve, and starts training for a real cage fight. He's fighting not only as a personal test but also to answer questions that have intrigued him for years: Why do men fight? And why do so many seemingly decent people like

to watch?"--Amazon.com.

It takes a certain kind of person to stand out from other mixed martial arts fighters as both a wild man and a rock star. Chris Leben, otherwise known as “The Crippler,” is that kind of person. His reputation started on the inaugural season of *The Ultimate Fighter*, a reality show where hopeful fighters vie for a UFC contract and a path to greatness. The world saw an out-of-control brawler with a penchant for destruction. But that was only half the story. From the slums of northwest Oregon, Leben has spent a lifetime coping with deep scars left by an absent father and ever-present struggles with alcoholism and drug abuse. He’s been in jail eleven times, including for going AWOL. During his ten-year career in ultimate fighting, Leben became one of the most recognized figures in the sport, enthraling audiences around the world with his wild, headfirst style of fighting as he took on some of the world’s best fighters, including Anderson Silva, Yoshihiro Akiyama, and Wanderlei Silva. The Crippler is not just an exciting account of his rise to prominence within the UFC; it’s the incredible story of a renowned wild man dealing with his personal demons and learning that the toughest opponent is always yourself.

Based on unique access to the Ultimate Fighting Championship (UFC) and its rival organizations, *Blood in the Cage* peers through the chain-link Octagon into the frighteningly seductive world of mixed martial arts, which has exploded in popularity despite resistance. Wertheim focuses on Pat Miletich, who runs the most famous MMA training school in the world. Single-handedly Miletich has transformed a gritty town on the Mississippi into an unlikely

hotbed for his sport. He has also transformed many an average Joe into a walking weapon of destruction. Wertheim intertwines Miletich's own life story, by turns tragic and triumphant, with the larger story of the unholy rise of the UFC, from its controversial, back alley roots to the fastest-growing sports enterprise in America. Blood in the Cage takes readers behind the scenes, right down to the mat, from a punch in the kidney to the ping of the cash register, as Wertheim brilliantly exposes the no-holds-barred reality of the blood sport for a new generation.

Most people spend their lives trying to escape some kind of cage. Rollie Peterkin left behind conventional success and stepped into one. When his college wrestling career ended in heartbreak, Rollie fell short of his dream of standing on the national podium. After graduating with an Ivy League degree, he tried to take solace in the lucrative Wall Street job offer that awaited him. He vigorously launched himself into his new career as a bond trader and grew accustomed to fancy dinners, expense accounts, late nights, and early mornings. Rollie was achieving all of his goals, but began to feel like something was missing. During a trip to Peru, a chance encounter with a legendary cage fighter would inspire him to question the well-worn path to success he had always known. Soon after, Rollie plotted his escape and ultimately left behind the life of luxury to pursue a savage dream. Along the way he faced life changing obstacles that he never could have foreseen in his wildest dreams. From yuppie Manhattanite to blood-soaked warrior in South America, The Cage traces Rollie's fight for meaning, substance, and true value.

MMA cage fighter Jude Malone leads a simple life - eat, sleep and train. His older brother Jax is a legend in the octagon, and while Jude's had his fair share of recent losses, he's better than his record. He just needs a chance to prove it. When Jude is suddenly offered the fight of a lifetime by his head coach, there is only one tiny string attached. He decides to go for it, but that little string just might turn out to be the one that unravels him completely. Sadie Briggs is a quiet, introverted tomboy. She was raised by a single father and grew up in his MMA training gym with dozens of sweaty, aggressive men. They only think of her as their sweet little sister, not as a woman who is getting ready to go off to college. That all changes when her longtime crush, Jude Malone, becomes her knight in shining armor after her boyfriend dumps her the week before her senior prom. Jude feels like he's been sucker punched when Sadie's unexpected Cinderella transformation forces him to actually see her as a woman for the very first time. Overwhelming lust, jealousy and passion turn out to be the right combination to finally unlock Jude's cocky alpha fighter inside and out of the cage. Only one thing stands in the way of him winning the world championship welterweight title and a gorgeous girl. The truth.
