The Honest Spy was an Amazon recommendation that I am glad I snatched up. It is the fictionalized account of Fritz Kolbe, a German foreign office employee during WW II. Kolbe was stationed in S. Africa when hostilities in Europe broke out. He was opposed to the Nazi regime and their fanaticism when he was called back to the Fatherland.

The Honest Spy by Andreas Kollender – Goodreads

This is a fascinating fictional tale based on the activities of the very real Fritz Kolbe who, whilst working in the Third Reich's Foreign Office, operated as a spy for the American OSS, after first being turned down by Britain's MI6, passing secret information and documents to Allen Dulles, the head of the OSS office in Switzerland; some, including Dulles, regard him as the most important spy of WWII; some regarded him as being of little value, in that he only provided information which was ...

The Honest Spy: Amazon.co.uk: Kollender, Andreas, Anderson ...

Based on this gripping true story, The Honest Spy uses Kolbe ' s life as the jumping-off point for the narrative, but the nature of his real-life service to the Allies is not in question. Knowing this was a real person made me all the more nervous as he risks his life over and over again to bring critical intelligence to Allen Dulles and other American diplomats.

The Honest Spy. October 07, 2020. William Tobey. BOOK REVIEW ... He later found, " My resolution to be direct and honest with our partners was useful in my later years when I served as Chief of Europe and dealt with our European partners on sensitive issues. " Finally, and tellingly, he openly corrected President George W. Bush in front of U ...

The Honest Spy | Russia Matters

Fritz Kolbe, the honest spy, is not a fictional character. He was a high-level official in the German Foreign Office during WWII. As such, he had access to highly classified Nazi documents which, out of conscience, he offered to the CIA. His controller was Allen Dulles. The Honest Spy is a fictional account of this time.

BOOKSHELF: The hinges of history The Honest Spy. By William Tobey. Published 12 October 2020. Rolf Mowatt-Larsen ' s A State of Mind: Faith and the CIA offers an engaging, if eccentric, memoir from a man who battled some of America ' s greatest post-World War II enemies, from the Soviet Union to al-Qaida, and who also knew and worked with many of the important figures of our time.

Andreas Kollender SteveAnderson Is a well-known author, some of his books are a fascination for readers like in the The Honest Spy book, this is one of the most wanted Andreas Kollender SteveAnderson author readers around the world. Commentaires: Steve.

During one of history's darkest chapters, one man is determined to make a difference. In the tradition of Schindler's List comes a thrilling novel based on the heroic true story of Fritz Kolbe, a widowed civil servant in Adolf Hitler's foreign ministry. Recognizing that millions of lives are at stake, Kolbe uses his position to pass information to the Americans--risking himself and the people he holds most dear--and embarks on a dangerous double life as the Allies' most important spy. Summoned from his South African post to return to Nazi Germany, Kolbe leaves behind his beloved fourteen-year-old daughter, a decision made for her safety that nonetheless torments him. And as he lives under the constant threat of arrest, he wrestles with the guilt of putting Marlene Wiese, a married nurse and the love of his life, in danger as they collaborate on Kolbe's clandestine work. But no matter the personal cost, Kolbe will not be deterred. In scenes that pulse with suspense, he emerges as a towering figure who risked everything to save innocent lives--and Germany from itself.

A groundbreaking book in its unflinchingly honest portrayal of childhood dilemmas, "Harriet the Spy" remains one of the most acclaimed children's novels ever written.

"[This] unflinching, incendiary debut combines the espionage novels of John le Carré with the racial complexity of Ralph Ellison's Invisible Man."--Publishers Weekly (starred review) What if your sense of duty required you to betray the man you love? It's 1986, the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She's brilliant, but she's also a young black woman working in an old boys' club. Her career has stalled out, she's overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she's given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has made him a target for American intervention, she says yes. Yes, even though she secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she's being offered the job because of her appearance and not her talent. In the year that follows, Marie will observe Sankara, seduce him, and ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events--Thomas Sankara is known as "Africa's Che Guevara"--American Spy knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you've never seen before, and it introduces a powerful new literary voice. Advance praise for American Spy "Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, American Spy lays our complicities--political, racial, and sexual--bare. Packed with unforgettable characters, it's a stunning book, timely as it is timeless."--Paul Beatty, Man Booker Prizewinning author of The Sellout "American Spy is by turns suspenseful, tender, and funny, always smart and searingly honest. Lauren Wilkinson renders the world of spies with vivacity and depth, and shines a penetrating light on what it's like to be a black woman in America. But like all great novels, this one teaches us most about ourselves and our values."--Sara Novi , author of Girl at War

A thrilling tale based on top-secret Nazi plans to invade the Soviet Union... All spies have secrets, but Henry Hunter has more than most. After he is stopped by British Intelligence at Croydon airport on the eve of the Second World War, he discovers one more devastating than any before. From Switzerland he embarks on a series of increasingly perilous missions into Nazi Germany, all while having to cope with various identities and competing spymasters. In March, 1941, in Berlin, haunted by a dark episode from his past, he makes a fateful decision, resulting in a dramatic journey to the Swiss frontier and a shocking encounter... A pulse-pounding spy novel for the ages, perfect for fans of Robert Harris, John le Carré and Ken Follett.

Blaire Reese is a whore. But not just any whore... a Super Whore, one trained by the CIA in the art of Seduction and Sexual Manipulation, to be used as a weapon in the war against terror. Blaire has been trained to seduce those suspected of terrorist activity, to get close to them, and to learn their secrets. Even though the government has spent millions to train her and others like her for this specialized form of intelligence gathering, many at the CIA greet Blaire and her peers with skepticism and derision. Soon, Blaire is wondering if she's made the wrong decision to use her unique set of skills for a government which seems to dismiss her as nothing more than a cheap tramp. That is, until she receives her first assignment. Ranjim Sayeed is young, good-looking, highly educated, and suspected of funding Al Qaeda to the tune of hundreds of millions of dollars. But he is also secretive and closely guarded. The CIA taps Blaire to seduce Ranjim, and discover the ins-and-outs of his terrorist organization. But Ranjim is a more difficult target than he first appears. He too is a skilled seducer, and practiced in the art of manipulation. Before long, Blaire is no longer sure what to believe - is Ranjim really a terrorist? Or is he an unwitting pawn being used by someone who is much more dangerous? What dark secrets is he hiding? And will Blaire be able to survive their discovery? Among all the mind games lies a truth more shocking and horrifying than anyone at the CIA could imagine. A truth no regular spy could uncover. Blaire may be untested, but she is now the only thing standing between the United States and an attack which could bring the country to its knees. When the key to the country's survival lies hidden in the heart of a terrorist, only love can bring it to light and save the lives of untold innocent people. Blaire may be a Hooker Spy, but in its darkest hour, can she also be the United States' greatest hope?

Milo Weaver is unwillingly drawn into his bosses' plans for revenge against the Chinese agent who orchestrated the deaths of 33 tourists. Steinhauer, the best espionage writer in a generation, delivers a searing international thriller.
